Join me for this hands-on creative block printing workshop and learn step by step how to design, carve and print your own amazing creations!

During the class, I will show you how to transfer your drawn design onto a soft block, carve it, test it on paper/card stock and cotton fabric to build up your confidence. Then we will proceed onto linen tea-towels or linen placemats using high-quality, solvent-free fabric paint (available in a variety of luscious colours)

Learn how to mix colours and add special effects to enhance your design. All tools, instructions and materials will be provided in class.

At the end of the workshop, you'll be going home with your own freshly carved print block, a hand printed card, cotton tote bag and a choice of either two linen tea-towels or two linen placemats.

Additional tea towels and place mats will be available for purchase at my Studio.
